

## CME Sponsorship Request Form

Shionogi Pharma, Inc. sponsors professional education programs that are effective in improving:

- understanding of the disease states treated by our products,
- treatment protocols, and
- patient health.

We work to rationally allocate our funds. Accordingly, we need advance notice of requests for sponsorships and enough information to understand the opportunity for providing a program that fits a substantial need for health care professionals. We will consider sponsorship of a program that is not accredited by a national accrediting authority if the program is approved by a state credentialing organization for health care professionals.

If you would like to request that we consider sponsorship of a CME program, please provide the following information:

\_\_\_\_\_  
Name of program to be funded

\_\_\_\_\_  
Institution to receive funds

\_\_\_\_\_
